BOOK DESCRIPTION

This masterpiece of Paulo Coelho tells the mystical story of an Andalusian shepherd boy Santiago, who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different and far more satisfying than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, recognizing opportunity and learning to read the omens strewn along life's path, though I do not believe in omens, and, most importantly, following our dreams. Overall, the book is full of lessons. The language of the book is easy.
